### CALL TO ACTION

As we continue to be updated by the library and the city, we anticipate the library's budget will be significantly affected by the current situation as much as 20% for staff alone.

We do not know specifics yet, but a severe reduction in operations, circulation, and staff is in the works since Palm Springs is in financial crisis at this moment.

We are asking for your help NOW. There are five ways to help:

- 1) Write to the City Council TODAY with your concerns. (<https://www.palmspringsca.gov/residents/mayor-city-council>). Literacy and youth programs cannot and should not be dropped.
- 2) Renew your membership early. Donate to our fundraising page at <https://www.friendsofthepalmspringslibrary.org/page-1786295> (or just go to the donate page) or our GoFundMe page at [charity.gofundme.com/love-your-ps-library](http://charity.gofundme.com/love-your-ps-library).
- 3) Spread the word and ask your friends to help, too. Social media is perfect for this.
- 4) Ask people to become members. Be a friend, ask a friend!
- 5) Subscribe to the library's YouTube channel. They need subscribers to have an impact. You'll find some fascinating videos there about Palm Springs history!

Please, please help us continue to support the library's upcoming needs any way you can. Every dollar will help keep the library operating at the high level we've come to expect. Let's love our library even more by coming together to help our community save this valuable resource.
