

## PRESIDENT'S MESSAGE

*Cathy Brant*

2016 is filled with many exciting events, but this has been an exciting year for the Friends. Because of the hard work of our volunteers, and the capable guidance of Library staff, we have been able to raise public awareness of our organization as well as raise necessary funds to fulfill our obligations to support Library programs.

But we have much to do. As you know, the Friends have long advocated for two items: the return of the Library Literacy Program that was shelved when budget cuts eliminated one librarian position in 2008, and the implementation of plans to go ahead with renovation of the Library building.

Since the first of the year, there has been action on both items. First, Director of Library Services, Jeannie Kays, has included a new librarian position in her proposed budget for next year. This person would serve as the Community Services Librarian to resurrect the literacy program, coordinate bringing in outside services from groups who help with veterans, homeless, and legal aid services, write grants to support these programs, and coordinate volunteers who would help run them.

Second, the renovation of the Library building is back on the table. Last month we met with Mayor Moon and other Library-related groups to explore ways to get the huge project started. The first step, according to City Clerk James Thompson, is to hire a local architect to create construction plans from the conceptual plans developed by Group 4 Architects in 2013. This plan includes replacing plumbing, electrical wiring and HVAC systems, moving the children's area to where the computer and magazine room is located, creating a new learning center/community room in the space vacated by the children's activities, moving the public restrooms to the area next to the new Community Room, and moving the public computers to the central reading area.

Members of the Friends Board spoke in favor of both items at the recent Town Hall meetings at City Hall. Now we need to keep these items from getting lost in the shuffle of the upcoming budget talks. We can do this by writing letters to the editor of the Desert Sun, talking with friends and neighbors, and writing to City Council Members.

We are Friends of the Palm Springs Library because we love our library. Let's help it meet the needs of our community in the future.

### Summer Reading Program: READ for the WIN!

To play off the popularity of the Summer Olympics, the theme for this year's Summer Reading Program is "READ for the WIN!" We look forward to eight weeks of summer fun, filled with games, performers, and activities to keep children, teen, and adults involved in the library and reading.

Summer Reading takes place June 6-July 28, 2016. Weekly prizes, free books, and the chance to win grand prizes for each age group will be available, depending on the level of participation. This year's grand prizes are THREE Surface Pro 4 tablets, one for each age group, sponsored by Friends of the Palm Springs Library. Through the Sustainability Commission, we are also giving away three bicycles.

When we have exciting performances or activities, it draws families into the library. We want to get families into the library and we want them to leave with books that they will enjoy together.

By encouraging children to read just FIVE books during the summer, we are helping prevent "summer slide," a phenomenon that shows children lose reading achievement when they do not read during summer break. Children who don't read proficiently by third grade are four times more likely to leave high school without a diploma than proficient readers. Summer Reading programs encourage young children and families to read regularly. (Hernandez, Donald J. "Double Jeopardy: How Third-Grade Reading Skills and Poverty Influence High School Graduation.")

Through your membership dues and generous donations, the Friends of the Palm Springs Library are able to partially sponsor Summer Reading Program. Another major sponsor this year is US Bank, for which we are very grateful.

We also continue to provide gift bags to newborn parents through our Born to Read Program. This month Healthy Beginnings, the group who works directly with these parents, gave out 75 of the gift bags.

Thank you for supporting the Palm Springs Public Library!

## EVENTS

In March, we held our Annual Meeting at the Los Compadres clubhouse. Local Desert Sun nature columnist Jim Cornett gave a very entertaining talk about "The Controversial Coyote." Thanks to Chris Seidel, Wanda Turman and the Events Committee for organizing this event. An added surprise was the appearance of Mayor Robert Moon, who spoke briefly about how he plans to get the much-needed renovation of the Library moving through City Hall.

In April, our trip to the Huntington Library was beautiful. As our docent pointed out, this was the best time to see the roses and other wonderful gardens. Despite a drizzly day, everyone had a great time. All the docents were great, and since we went in groups of 8 or 9, everyone got the best experience of the vast grounds possible. Thanks to Milt Levinson for coordinating this event.

## DESTINATION PSP

Our partnership with Destination PSP, a retail store downtown that offers merchandise for sale benefitting non-profit organizations, is beginning to pay off. Recently, the Friends received a check for nearly \$800, which represents items sold. They include the Frank Bogert book, glasses cases, and the new tote bags that we introduced at the Annual Meeting.

## SPREAD THE WORD ABOUT THE FRIENDS!

The Library Staff generously allows our Friends group the opportunity to address audiences at various Library events. However, since we are dependent upon volunteers from our Board to make these brief presentations, we are in need of additional volunteers from our Friends membership to attend and address audiences with a brief welcome and overview of our group, its goals and activities. Please contact us if you would like to help the Friends in this way. Our phone number is 760.688.8838.
